#101 Jr. Programmers

Instructor: Vanessa Lozano

Grade: 2nd-3rd

Subject: Computer Programming

Non-Member Tuition: $130

Room 20

Come join us for all new activities that will teach kids how to use critical thinking skills, identify "bugs" and how to solve them, how to follow and predict a set of instructions, and decompose a problem into smaller steps by playing online coding games on an iPad. To finish it off, students will make an actual board game of their digital creations.

3. Click on "Register" button to start the class registration.
