WEEK 4 (6/20-6/24)

Class #	Class Name	Grade	Class Time	Class Description	Tuition
#PTBA-400	Pokemon STEAM Challenge	Kinder-3rd	8:30-10am	Hey there, all Pokemon Trainers! Come join us and learn the science behind your favorite Pokemon along with their type weaknesses, resistance, and immunities and how they relate to the real world. Then get ready to choose your favorite Pokemon and have a virtual battle with your classmates to get your body moving. Then finally, wind down from all that battling and learn to draw your favorite Pokemon. Pokemon Trainers are passionate about their Pokemon, so we will definitely make some time for show and tell and sharing of Pokemon knowledge…who knows, you might even learn something new. You'll definitely get a well rounded experience in this class, you will learn science, get some exercise, learn to draw, and learn more about Pokemon! So, who's up for the Pokemon STEAM challenge?	$80
#PTBA-401	Minecraft Education: Farming	3rd - 5th	8:30-10am	Students will have a blast learning the basics of Minecraft and collaborative play while learning about sustainable farming and animal husbandry. So come and join us for an hour of fun "building" experiences through play.	$75
#PTBA-402	Minecraft Education: Farming	Kinder-3rd	10:15-11:45am	Students will have a blast learning the basics of Minecraft and collaborative play while learning about sustainable farming and animal husbandry. So come and join us for an hour of fun "building" experiences through play.	$75
#PTBA-403	Pokemon STEAM Challenge	3rd - 5th	10:15-11:45am	Hey there, all Pokemon Trainers! Come join us and learn the science behind your favorite Pokemon along with their type weaknesses, resistance, and immunities and how they relate to the real world.
